

Principal's Message

Education is changing, and our campus must evolve with it. At TSK, we seize every opportunity to provide a holistic environment where every student can shine academically, artistically, and physically.

We are launching a bold HK\$4 million campaign to renovate four key areas of our school. These are not just building works; they are investments in our students' wellbeing and confidence. From a performance stage to a smart fitness center, we are building a campus that inspires excellence.

We invite you — parents, alumni, and friends — to join us in turning these visions into reality.

Our Goal: HK\$4 million

YUEN King Hang Alan

AA Chairman's Message

一個充滿活力的校園，能啟迪學習、陶鑄品格，並加深我們學校社群珍視的歸屬感。

當我們活化校園空間，並幫助學生實現夢想之際，校友除了金錢上的支持外，也可透過意見、建言與親身投入，為母校未來作出貢獻。

2025-26 校友會主席 黃隆漢先生

PTA Chairlady's Message

優化校園環境，為孩子提升啟發性及現代化的校園設施。各位家長的慷慨捐輸，能化作龐大的力量。請多多支持！

2025-26 家長教師會主席 梁敏思女士

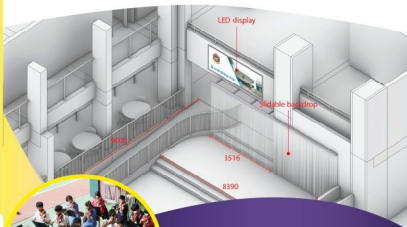

Project 1: Performance Hub

Mission: Transforming the G/F covered area into a vibrant, inclusive performance hub.

New features:

- A beautifully raised concrete stage paired with a massive LED display.
- Concert-quality audio to make student talents shine.
- Full barrier-free access ramp for inclusive entry.

Estimated Cost: \$500,000

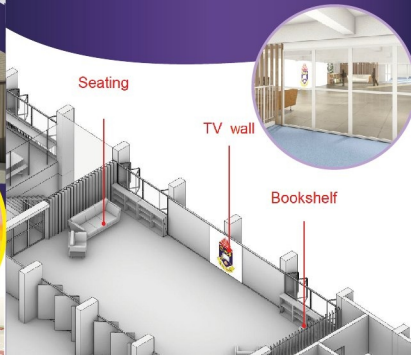

Project 2: Learning Commons

Mission: Upgrading the hall foyer into a vibrant, multi-purpose reception and self-study zone.

New features:

- Fully air-conditioning and advanced acoustics for quiet, focused study.
- Flexible furniture, a dynamic digital wall, and cozy lounge seating.
- A warm, inviting reception area for hosting school ceremonies.

Estimated Cost: \$500,000

Seating

TV wall

Bookshelf

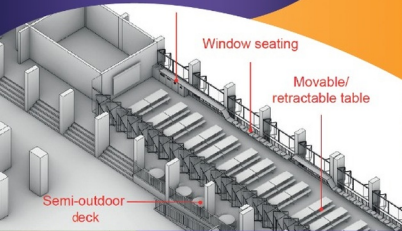

Project 3: Student Canteen

Mission: Creating a cool, refreshing oasis optimized for dining, relaxation, and social connection.

New features:

- Stunning floor-to-ceiling folding glass doors that seamlessly connect indoor and outdoor spaces.
- A brand-new air-conditioning system to beat the summer heat.
- Flexible layout with semi-outdoor decking and window seating — ideal for lunch, study and peer tutoring.

Estimated Cost: \$1,500,000

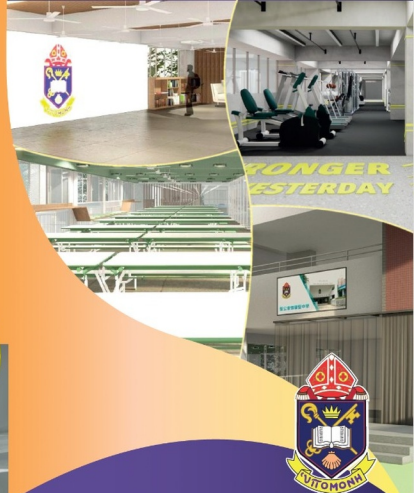

Project 4: Fitness Centre

Mission: Expanding our current facility capacity by 50% with smart tech to provide real-time fitness tracking and foster a balanced, healthy lifestyle.

New features:

- Seamless integration of the adjacent passageway to create an expansive, open-plan layout.
- Smart workout equipment with real-time performance tracking.
- Glass-walled for an open, bright, and motivating environment.

Estimated Cost: \$1,500,000
